

Hatoon Alkashgari

SOFTWARE ENGINEER

Jeddah, SA | 0536452992 | hatoonkashgari@gmail.com | www.linkedin.com/in/hatoon-alkashgari-277b03266 | <https://hatoonalkashgariportfolio.netlify.app>

Career Objective

Software Engineering graduate. During my academic journey, I honed my skills in programming Languages (such as java, C++, and others), and tools. I am adept at quickly learning new technologies and applying them to solve real-world problems. My education has provided me with a strong foundation in software engineering principles, algorithms, and data structures. And I'm eager to start learning more.

Education

Bachelor's Degree in Software Engineering

4.68 of 5 GPA

University of Jeddah
